

Lakeview Elementary PTO

We give a hoot!

The PTO Board would like to welcome you back for the 2017-2018 school year. Lakeview PTO consists of a handful of parents and Lakeview staff members who organize activities that make the school year for your child a memorable event! We are asking that you consider being a volunteer to help with upcoming events or joining our board as additional decision makers.

Please take a look at the attached page and complete the information requested so we can contact you for support. The HOMEROOM PARENT is a great position for connecting with your child and their classmates WHILE providing an important support system for your child's teacher.

Why do we do FUNDRAISING?

Without fundraising, following activities would be eliminated:

- **FUN DAY/FIELD DAY in June**
- **DARE Program Awards**
- **SOL Snacks**
- **Scholarship for 2 CHHS graduating seniors**
- **Character Trait Awards/Luncheon**

Don't forget- your individual membership to the PTO is so important to the foundation of our fundraising.
